Camp Olympia requires that the cabins and bathhouses be fully cleaned, swept and garbage emptied before we depart. This is a part of our guarantee to use these facilities for the next Spirit of the Pines.

Now is the time to volunteer for 12<sup>th</sup> Step Work! The camp **MUST BE** left clean.

- ❖ Ash trays & buckets picked up
- ❖ Audio systems packed
- ❖ All trails/roads checked for trash, cigarette butts, etc.

Please volunteer with the conference chairpersons or committee members.

All personal belongings left in cabins will be removed. If turned in to the Spirit Committee, items will be brought to the next Spirit.
